Seven of the 11 candidates on the stage of the St. Albert Community Hall during the election rally last Monday. From left to right, Gordon Parker, George Miller, Roy Gilroy, Dick Sheatley,

Armand Donais, Don Sinclair and Robert Parkes. Missing are Dick Foster, Mrs. Mathews, Gordon Hughes and John Bakker. A crowd of nearly 400 attended this interesting rally.

ELECTION RALLY

About 400 electors attended Monday night's Political Rally in the St. Albert Community Hall.

Mr. C. Penrose was once again the chairman. The Rally was sponsored by the St. Albert and District Chamber of Commerce, and everybody was surprised to see such a large crowd because at least 200 people could not attend because of the very important confirmation ceremonies at the St. Albert B.C. Church.

Eleven candidates for councillor and Mayor were present and each candidate was allowed to address the audience for about a minute.

The speaker was Gordon Hughes who wants to see St. Albert back as it was as one of the most progressive and growing Towns in Alberta. He wants Council meetings made open to the public with less committee meetings.

"As many of the St. Albert voters know, I like to state that my party is as an independent and free party."

Next speaker was Mrs. Esther Mathews and

she stated that we have to learn to live together in our town in peace and harmony. "I bring tribute to former Mayor William Venessa, Mr. Jones and Mrs. Brenda Parkes, wife of Gordon Parkes, for the way they took so many troubles in courage during political difficulties in our Town. I'd like to serve all of you equally if I am elected."

The next speaker was Don Sinclair who said that we cannot expect to attract industrial development in our town if we have not yet established ourselves as a progressive community. "Our public relations are not as they should be. Councillors and Mayor ousted from office, causing troubles caused by an article in the local paper are all things which does not help us to have good publicity in Alberta." He stressed the necessity to have a public relations office to better, as soon as possible, our public relations generally. Personal image for St. Albert with an independent administration was urged by him.

Professor John Bakker was the next sp-

ATTENTION!

One copy for next week's Gazette must be in this Sunday, before midnight. The next Gazette will be published Tuesday, July 6, the evening before the election.

ADVANCED POLL!

For those going on holidays, don't forget the advanced poll for the July 7 election, which will be held this Friday, July 2 from 5 to 8 p.m. and this Saturday, July 3, from 1 to 5 p.m., in the Council Chambers, St. Albert Town Hall.

Speaker. "I do not know, he said, if I am a fool to run for councillor but time will tell. As councillor we had, of course, many differences of opinion which is good, but we never had any animosity. 15% of our assessment is from the industrial part of our town. The rest is mostly residential. One of our greatest handicaps is the bad St. Albert Trail which is not a pleasant entry to our Town."

He would like to see if the taxpayer will decide by a plebiscite what form of government we will have in our town. (Manager system or Mayor Council system.)

Dick Sheatley was the next speaker. "This election is a very important one for our Town, we have to elect four councillors and a mayor which means nearly a full council."

He urged that everybody should go to the polls.

There are two major issues:

1. Further development in St. Albert but at first industrial development which will certainly release the Town's financial burdens.

2. The form of government which I see should be the mayor council form because we have not got time enough to see its value. We have to settle, as soon as possible, the law suits and claims against our Town which totals, at the moment, nearly Nine-Hundred-Thousand dollars".

Rally

he urged that down-town development should start as soon as possible. The following speaker, Armand Donais said that we hear from many people who want a residential grow in our town. "I think that at first there must be a balance between the industrial and residential development before we need further residential developments. The ratepayer must be protected for more tax increase. You as ratepayers should know the serious situation that we are in now and, therefore, we should do everything to attract Industries to St. Albert. We should also encourage commercial companies to start their businesses in our town."

Ray Gilley was the next speaker. He said that we are now in trouble in our Town but he was glad that nobody has said tonight any nasty thing. "Why can we not live in our Town in this way? we have talked too much about our problems and we should do something to solve these problems. I don't call myself a politician, I am just sincerely interested in our Town where we have to live. In my opinion the trouble in St. Albert started at the moment when our Town reverted from New Town to Town. we have missed the last years good leadership as we had before in Gordon Parkes during our New Town period." He urged that everybody should take an active part in community affairs.

The next speaker Mr. Robert Parkes, said "that most of the previous speakers for tonight have all brought up many things that I can agree with. A council can only be effective if it agrees, in principle, with the basic troubles and if a council cannot work in this way it never can be productive. we have to consolidate before we talk about other things. I feel that we have never tried enough to get a relief of our taxes as a Satellite Town of Edmonton. we should go to the Province and ask for such a Town relief. we have to review the past errors of the previous administration and there should be more co-operation between the elected body and the electors."

Mr. George Willis the last speaker of the Councillor Candidates promised that his speech would be the shortest one of the night. "Most of my points, he said, are covered already by my fellow members of the St. Albert Voters Association. I do not offer many promises; I prefer to stick to facts - our slate offers experience and leadership. we do not look for enumeration; we will serve you as much as possible."

Gordon Parkes was the first speaker as candidate for the Mayor position. He urged that we certainly need residential, commercial, and industrial development in our Town.

THE TOWN OF ST. ALBERT

NOTICE OF ADVANCE POLL

PUBLIC NOTICE is hereby given that Advance Polling will take place for the Election of Mayor, Councillors' and school Trustees, and for the vote of the Proprietary Electors on By-Law No. 50/64, on FRIDAY, July 2nd 1965, from five O'Clock in the Afternoon until Eight O'Clock in the Afternoon, and on SATURDAY, July 3rd, 1965, from One O'Clock in the Afternoon until Five O'Clock in the Afternoon, in the COUNCIL CHAMBERS OF THE TOWN HALL, ST. ALBERT,
AND that I will, at the Town Hall, St. Albert, on THURSDAY, the 8th day of July, 1965, at Twelve O'Clock Noon, sum up the votes and give the results.

Dated at St. Albert, this 17th day of June, 1965.

"G.P. MOORE"
Returning Officer.

"Commercial development grows as soon as the residential grows. we should not forget that the whole Town is set up for a larger population, for instance - our water and sewer system, our main roads etc. we must develop an Industrial Park because industrialists must see such a park to attract them to start an industry. A Town cannot stay - it must always be on the move - there must always be development of any kind. Our present form of government has cost an unstable administration. I believe in the Manager type of government, also maybe at the present it would not be possible but we have to work towards it. we need a major recreation area and the wish of the taxpayer regarding a swimming pool should be honored because 75% of our electors were in favour during the October 1964 election." The Press should be more informed regarding all the activities of the Town Council, committees and its administration we should not develop any land if we are not sure that we can sell it. Our platform is realistic and we believe that it will be the best for our community. we miss leadership. our town-staff is doing their best, but they miss this leadership which has created in the past so many difficulties. Our Town is like a ship without an ore drifting around!"

The next speaker was Dick Fowler - candidate for the Mayor position. He said that last year he was the first speaker and during the election he topped the Poll. Now he was the last speaker, he didn't know what could happen. "By program he said, is built up by experience from the last two years as councillor." He agreed that Council has lacked in leadership over the past time. "Therefore it is necessary that a Mayor can bring back this leadership - the Town. The claims against the Town is one of the serious situations at the moment. I believe that we can settle these difficulties out of court. I like to see development in our Town, but planned in the following way: at first industrial development and any other form of development should follow after this. I will promote a good recreational development in our Town. we will have available at least 100 acres for recreation as soon as the Joint Use will come into effect. I like better relationship between Council and all organizations in St. Albert. I believe that our citizens should participate in local government and I think that, therefore, we have to create new boards in this regard."

All Candidates promised to do their utmost best if they are elected. A question period followed after the different speeches and questions were given by writing or from the floor. Most of the questions were addressed to the two candidates running for Mayor. After the question period the Chamber served coffee to everybody. It was a good meeting without any unpleasant incidents.

CATHERINE BLACKIE FOR SEPARATE SCHOOL BOARD

Mrs. Catherine (Kitty) Blackie, candidate for trustee of the Separate School Board, has been interested in education and active in school work in St. Albert for more than eight years. Three of her four children attended the Public School until the inception of the St. Albert Protestant Separate School District No. 16 in September, 1958. Currently three children attend grades four, nine and twelve in St. Albert and one is at the Northern Alberta Institute of Technology in Edmonton. Mrs. Blackie has been active in the Boy Scout Association, Girl Guides and Brownies as a leader, as well as the Home and School Association and the

Alberta Safety Council. Through the council, she held a Baby Sitters' Course and, with the help of the RCP, introduced *Over the Safety Elephant* into all elementary schools.

The welfare of the community has always been important to Mrs. Blackie and she has been actively concerned with campaigns for the School for Handicapped Children, the United Appeal, the Canadian Red Cross and the Canadian Cancer Society.

A member of session in the St. Albert United Church, and an assistant Superintendent of Sunday School, Mrs. Blackie would bring considerable knowledge and experience to the position of trustee.

His Grace Archbishop Anthony Jordan conferred the sacrament of Confirmation on a large group of children and several adults. Monday evening at 7:30 p.m. Reverend Father Lefranc welcomed his Group, voicing also his appreciation of the devotion of his predecessor, Reverend Father Savoie, who also attended in presiding this same class, as well as the many laymen and parents for their co-operation. Archbishop Jordan addressed the congregation and expressed his pleasure at being in our Parish once more, pointing out that this was indeed a unique spiritual occasion.

Speaking then to the recipients of the sacrament, he advised them to remember who what they had been taught so far, and the fact that the majority were so very young in years, and to follow the good example set before them by their parents. To the parents whom he thanked for the vigilance given their sons he spoke of the wish of man and of God, that he be made to have a wise and understanding heart, he reiterated this wish that they also have a wise and understanding heart. The holy sacrifice of the Mass was offered at which time the children made their First and Communion. Immediately following Reverend Father Lefranc again thank-

ed everyone for their part in preparing this service, lead the congregation in prayer and gave them his blessing. The parents take this opportunity of thanking His Grace for giving our children this sacrament of the Holy Spirit, to our Priests and Teachers for their wonderful training during the past months, as well as throughout the year.

UMI-C CAMPS - Volunteers are still accepted as helpers and leaders for both camps.

ADAR BOYS CAMP - July 1 - 7 departure at 10:00 a.m. Thursday from the church. The boys are asked to bring sandwiches for their dinner. Refreshments will be provided.

GIRLS CAMP - Departure Wednesday, July 7, at 7:00 p.m. at the Church.

UNITED CHURCH

On Sunday, July 4 the hour of Morning worship will be at 9:30 a.m. and this will be the service time during July and August and the first Sunday in September. Nursery and Tiny-tot facilities will be in operation.

Persons willing to assist with either should call Mrs. Bob French at 579-6473 or Mrs. Art Green at 579-7105.

The Morning Service on Sunday, June 27 was conducted by Rev. Dr. M. Edwards assisted by Mr. Hal Umbell, candidate for the ministry from St. Albert United

Church. During the service Mr. & Mrs. J. Drymalski of St. Salisbury formally joined the congregation by Letter of Transfer and a flower basket was dedicated to the use of the congregation in fond memory of Mr. H. Beck of Edmonton. This service brought to an end a four year ministry by Dr. Edwards to the congregations of St. Albert, Winterburn, and the newly formed congregation in Morinville. This service was also the last for the Organist Mr. G. Crowley who will be succeeded by Mrs. Joan Crowley.

Summer Activities:

A Vacation School will be held in the United Church, July 12-16 (Mon.-Fri.) from 9 - 12 a.m. daily with a parents' night of Friday at 7:30 p.m. in the Church. This will be for ages 1 - Grade 6. Inquiries should be made by calling 579-6555 (morning) or by calling Mrs. E. Warner at 579-7060, or by leaving a number to be called back at 579-6555.

Summer Camp for all ages is held at the Long Island Lake Camp and inquiries should be made by calling the Student Assistant, Mr. Dale Irving at 579-6555 (Church office, during the morning, or by leaving your number at 579-6555).

Choir News:

On Saturday, June 26 a buffet supper and social evening was held by the Choir at the Rogers' residence - 19 Birch Drive at which some 75 members and guests were present. This marked the end of the choir season. A new song and choir practice followed supper and a gift of a music stand was made by the choir to Mr. Crowley.

Mr. Crowdie became choir leader and organist last September and his deep interest in the choral aspect of church music greatly strengthened this aspect of the church music. Mr. Crowdie leaves the position of organist as he is leaving his job as a welfare worker in Edmonton to return to Calgary where he will be teaching music in the public school system. Mr. Crowdie resided in Calgary before coming to Edmonton and was organist in Trinity Church for three years. The best wishes of the congregation go with him.

During July the organist will be Mrs. E.G. Hole or a guest organist arranged for by Mrs. Hole and Mrs. Croskery. In August Mrs. Croskery will become the organist and will continue in this office during the coming year. Mrs. Croskery brings to this task a wealth of choir experience gained in Lethbridge and Edmonton. The congregation has been fortunate in the past to have the occasional benefit of Mrs. Croskery's talent both in worship services and Triple X activities.

**Montreal Foundation
for St. Albert.**

The Montreal Foundation for St. Albert is a non-profit organization founded by parents for the education of their children.

The Foundation is a registered charity. It is the sole purpose of the Foundation to help parents of the separate school system in St. Albert to help them to do better for their children. The Foundation is a non-profit organization that benefits the community as well as the students. It can be a great value to our children's education in the future.

The Foundation is a non-profit and tax-exempt foundation registered under chapter 11 of the federal government and each of the provincial governments of Canada. The sole purpose of this Foundation is to make it financially possible for many more young people to attend either universities or vocational technological institutes.

With the exception of Senator Donald Cameron of the House of Commons of the Arts, Senator John G. Diefenbaker and Mr. and Mrs. John G. Diefenbaker, the rest of the members of the Foundation are not known to the public. They are all completely anonymous. They are fully aware of the nature of this Foundation and the fact that it is not an easy way to equip your child to compete in tomorrow's world.

If you would like to know more about the Foundation, please call the Foundation at 599-3711.

Robert Russell for SCHOOL BOARD

I will:

1. Work closely with town officials to bring about an early completion of paved roads and sidewalks to our schools.
2. Institute a sensible approach during cold weather to early opening of schools and to lunch regulations.
3. Insist that the School Board accepts more responsibility for the administration and operation of the school district.

The support of voters last October brought me within eight votes of election and I ask for your vote again.

Salad
 1/2 cup seedless grapes
 Finely chopped salted nuts
 1/2 cup diced green onion or chives
 1/2 cup canned pimento cut in fine strips.
 Few drops Tabasco.

Dressing
 1/2 cup mayonnaise
 1/2 cup light cream
 1/2 cup lemon juice or lime juice
 1/2 cup horseradish
 1/2 cup finely diced
 1/2 cup grated coconut
 1/2 cup sweet chutney

In the bananas in 1/2 inch slices cut in the rings. Sprinkle immediately with lime juice. Add rice, red pepper, peanuts, green onions, pimento, and Tabasco, toss lightly. Cover and chill. Mix mayonnaise with cream, lemon juice, curry and mustard. Toss lightly. Arrange on chilled greens; sprinkle with coconut and top with a small mound of chutney if desired. Makes 4 servings.

Other Main Dishes

CHICKEN SALAD
 1/2 cup salad dressing or mayonnaise
 1/2 cup salt
 1/2 cup pepper
 2 tbsp. lemon juice
 1/2 cup finely minced onion

1/2 cup light cream
 1/2 cup tin salmon drained - flaked
 1/2 cup diced sweet pickles
 1/2 cup sliced celery
 1/2 cup crushed potato chips
 Lettuce cups

Mix together salad dressing, salt, pepper, lemon juice, and grated onion. Stir in cream. Add dressing to salmon, pickles, and celery as necessary. Chill thoroughly. Place serving mix in lettuce cups. Serve at once. Makes 4 to 6 servings.

We hope to bring you more tested recipes from St. Albert ladies next week. Phone 599-6745 or 599-7030.

New York Life Record

"Creating a Better Town Setting"

By A. E. Dyer, Princeton University.

The destruction of natural "green spaces" appear in the old continent over 200 years ago. As our civilization has progressed, so have the problems it has engendered. It is unfortunately true that one of the most difficult factors arising from man's close proximity to his neighbours in a community has been the disposal of his wastes, with which he has had to cope for many years. But since the beginning of the XVII century the governments at all levels have taken some prevention measures against "Air Pollution". But we have to wait until the middle of the XX century to see a systematic creation of "Public Gardens, Promenades" for walking pleasure trips, "Stadiums," "Street Tree Plantation". That creation has two main justifications: primarily the research of natural romantic environment for the relaxation of the masses, and finally to counteract the destruction of urban and suburban green spaces by a concentration of industrialization and concretisation of these areas. Today the green spaces are an absolute necessity for our Towns. The health of our future generations will depend largely on how we accept now, as a part of the price of living in urban communities, that all.

For these reasons Towns and Cities facing that problem of air pollution have been conducted sooner or later to take drastic measures.

Air is not usually regarded as a resource, possibly because it is a conscious life-giving entity, yet for this reason, it is air more important resolute regulating factor in protective measures than are currently being given. Air do not like air pollution; we find it disagreeable, uncomfortable, and a threat to health. In calculating the consequences, the number of cases of disease will be taken into account. It is known, however, that not all diseases are due to the presence of air. In fact the best method is likely to be increasing the vegetation in our surroundings, by the use of trees, the undergrowth & long range removal of fossil fuel "smoking", which will serve the dual purpose of protection of the air we breathe and beautifying cities. Having been a student of the natural environment today we can be much careful concerning the industrial enterprises. In this case

Mr. 124 only fulfilled properly to increase rather than decrease in value as the years go by.

odd rock breaking the surface did
no damage at all. I think it will be
that the day comes when the
Albert will be a "green belt"
in community development.

FOR THE ST. ALBERT PROTESTANT SEPARATE SCHOOL BOARD

1. Increasing quality of our children's education.
2. Efficient administration of school affairs.
3. Vigilance over use of public money in school building.
4. Good liaison between parents, school board, administrators and teachers.
5. Increased use of our schools for community purposes.
6. Increased library and laboratory facilities.
7. Better sports facilities and the more efficient use of sports equipment, including joint use of land by schools and the Town of St. Albert.

On the above platform I seek re-election to the school board to finish the work I started in October 1964.

Lynn Murray, Alex Hartin, Shane Hughes, Billy Hartin, Noel and Jimmy Kelly and Klaus Lohmeier, all of whom received their 1st. belt. Due to the eminence of Neske On der Heide's 16th birthday, her rank was immediately advanced to Cukyu - yellow belt.

The grades were judged and awarded by Mr. V. Hunt, instructor, Edmonton MCA, Mr. R. Vinter Hewet, instructor, Jasper Place Judo Club, and Mr. A. Powell, Alberta champion, Jasper Place Judo Club. Two members of our senior class, Mr. N. Van Sly and Mr. Lee Long, attended a tournament in Jasper Place on Monday, June 28th, where they were each awarded the grade of Cukyu - yellow belt.

Thanks are due to those parents who turned out in such miserable weather to witness the children's tournament, and thus enhance the dignity of the occasion.
